" LabSmart is an attempt to bring a high quality affordable solution to small and medium scale laboratories "

Abhishek Srivastava Founder LabSmart healthcare technologies

What is Labsmart?

Labsmart is a complete online laboratory management system for pathology labs and diagnostic centres. It replaces traditional single desktop run offline pathology lab software by an online system which provides real-time access to information for doctors and patients.

Vision

To provide a digital, reliable, efficient and secure solution, which enables laboratory owners to run their business with peace of mind while delivering quality healthcare.

Labsmart Modules

Modules in Labsmart cover all aspects of lab management like billing, accounting, lab and radiology report preparation and delivery etc.

Send Reports Online

Quickly and Professionally

Labsmart lets you easily review and share lab reports with patients and doctors, on the medium of their choice. Apart from printing, reports can be delivered over email, SMS and WhatsApp.

Automated SMS

Keep you patients notified with important information via autoamated sms communication. The automated messages bring in a lot of transparency and trust of your patients in the testing process.

Welcome SMS

Labsmart automatically sends welcome SMS to patients with your lab name and phone number.

Bill SMS

Sending bill info through SMS removes fear of losing physical bill, establishes trust and transparency with your patients.

Report ready SMS

Don't keep your patients waiting. LabSmart will automatically send report ready SMS when it is marked final.

Powerful Report Customization

Each Labsmart account comes with a ready made test database of all routine tests. You can choose to add new tests or edit the existing one's according to your lab's reporting needs. Labsmart helps you avoid manual calculation of test results in reports like CBC, LFT, KFT, Lipid profile etc.

Add new tests

Handle report format for all departments

Haematology

- Biochemistry
- Serology & Immunology
- Microbiology
 - Histopathology

- Clinical pathology
- Endocrinology
- Cytology
- Add and customize interpretations
- Auto calculate test results and autocomplete possible results
- Set normal values according to patient age and gender

Browser security

Safety & Security

Labsmart Browser security feature allows you to control which browsers the software can be accessed. You can easily block or unblock browsers used by the employees.

QR coded reports

QR coded reports apart from improving the patient experince help you in standing our from your competition.

Why LabSmart?

Get 10 days free Trial

Labsmart offers a self service application and free support assistance is provided during the trial period.

Affordable

Labsmart offers a very affordable 'pay as you go' option which brings a complete ROI to the lab and no fear of being locked-in.

Easy to Use

Ease of usage is the key value which Labsmart provides to it's end users.

Round the year active customer support helps the customers run the business smoothly.

Client Testimonal

Labsmart is a part of my day to day activity. Right from reporting to patient management, billing etc... it does all, for our centre it cover up 90% of our work related to X-ray, Pathology, Sonography. i'll highly recommend this to everyone..."
